TEMPLE MOUNT

Dear Friends and Fellow Christians,

A visit to the Bible Lands is an invaluable opportunity for Believers. Stories from Scripture come alive as you visit the very places where biblical people walked, lived, and taught. You encounter their lives, see what they saw, and gain a fuller awareness of their faith. Men and women in the Bible become more relatable as we consider their stories up close.

Walk through Jerusalem, stroll through Capernaum, stand on biblical battlefields, sail on the Sea of Galilee, wade in the Jordan River, and float in the Dead Sea. You gain insights no book or lesson can provide. This benefits you, and the people you influence, forever.

For my part, I've been blessed to teach the Bible for nearly 30 years

and work in Biblical Archaeology for 15 years, including months of field experience at biblical sites. Every trip gives fresh understanding into Bible times and places, and I expect you will enjoy these same benefits.

Look through this brochure and see the many places we plan to visit. This tour includes virtually everything from start to finish. We take care of the details so you can fully take in the stories and places we encounter.

Space on this tour is limited and interest is strong. Send your registration form with the deposit to save your spot before our group fills up! If you have questions, please contact me directly at ChandlerLuke@icloud.com. I look forward to hearing from you!

Sincerely,
Luke Chandler
