Dear Friends,

Egypt is one of the world's most memorable destinations, overflowing with biblical history. Abraham, Joseph, Jacob and his sons, Moses, Jeremiah, and even Jesus' family lived here. The story of the Gospel keeps passing through Egypt throughout the Bible.

Join me on this magnificent trip to one of the oldest civilizations on Earth. We will visit the Great Pyramids and the Sphinx, view many of Egypt's greatest treasures, explore the Valley of the Kings, see monuments that record biblical events, explore where the Hebrews lived in the Land of Goshen, see where the Israelites and Moses may have passed through the Sea, enjoy a luxurious Nile cruise, admire

the incredible Aswan High Dam, and sail aboard a yacht on the Red Sea.

Look through the tour itinerary and see the places and experiences that await you. By visiting in March, we will enjoy comfortable temperatures and avoid the summer heat.

This Egypt and Nile Cruise tour includes virtually everything: roundtrip airfare from New York, first class hotels, all site visits in the tour program, the Nile cruise, informed guiding and sightseeing with a Bible emphasis, a beautiful day on a Red Sea yacht, and most meals. Join us on this magnificent travel adventure!

Sincerely,
Luke & Melanie
